

RAISING THE CURTAIN OF OPPORTUNITY

Dear Friend,

NEW Heights High School Theatre Collaborative, in partnership with the Ashwaubenon Performing Arts Center, is proud to present *Legally Blonde: The Musical* - a hilarious and high-energy story that defies stereotypes and proves that being true to yourself is always in style. More than just a production, this program brings together over **60 high school students from 15 area schools throughout the region** to create, collaborate, and grow through the performing arts.

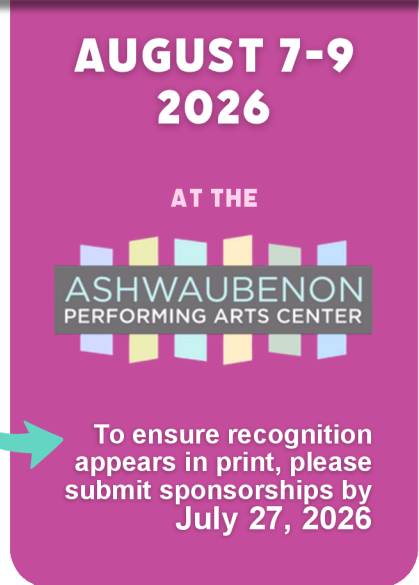

Opportunities like this are more important than ever. As arts education programs continue to face funding challenges, students are finding fewer opportunities to participate in meaningful creative experiences. For many young people, theatre provides something invaluable - a place to belong. Programs like this create a unique space where young people can be themselves, build confidence, develop leadership skills, and form lasting friendships across schools and communities.

One of the things that makes NEW Heights unique is our commitment to accessibility. **Thanks to the generosity of our community supporters, students can participate free of charge.** By removing financial barriers, we ensure that every student has the opportunity to learn, create, and shine, regardless of their financial circumstances.

Producing a show of this scale requires costumes, sets, lighting, sound, rehearsal space, and more. Your sponsorship helps make these experiences possible while investing directly in the confidence, creativity, and future success of local young artists.

Every gift makes a difference! Together, we can ensure that students throughout Northeast Wisconsin continue to have opportunities to discover their talents, find their community, and experience the transformative power of the arts.

We hope you'll consider supporting this important production. Sponsorship opportunities and benefits are listed on the next page. If you'd like to become a sponsor, have questions, or would like to support our mission in another way, please feel free to reach out.
